**CONSENT DECREE WITH DEFENDANT DONALD D. BOATRIGHT**

**I. BACKGROUND**

A. The United States of America ("United States"), on behalf of the Administrator of the United States Environmental Protection Agency ("EPA"), filed a complaint in this matter pursuant to Section 106 and 107 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, 42 U.S.C. §§ 9606 and 9607, as amended ("CERCLA"), seeking reimbursement of response costs incurred or to be incurred for response actions taken or to be taken at or in connection with the release or threatened release of hazardous substances at the Armour Road Superfund Site located in North Kansas City, Missouri ("the Site").

B. Defendant Donald D. Boatright ("Settling Defendant") does not admit any liability to the United States arising out of the transactions or occurrences alleged in the complaint.

C. The United States and Settling Defendant agree, and this Court by entering this Consent Decree finds, that this Consent Decree has been negotiated by the United States and Settling Defendant in good faith, that settlement of this matter will avoid prolonged and complicated litigation between the Parties, and that this Consent Decree is fair, reasonable, and in the public interest.

THEREFORE, with the consent of the Parties to this Decree, it is ORDERED, ADJUDGED, AND DECREED:

## **II. JURISDICTION**

1. This Court has jurisdiction over the subject matter of this action pursuant to 28 U.S.C. §§ 1331 and 1345 and 42 U.S.C. §§ 9606, 9607, and 9613(b) and also has personal jurisdiction over the Settling Defendant. Settling Defendant consents to and shall not challenge entry of this Consent Decree or this Court's jurisdiction to enter and enforce this Consent Decree.

## **III. PARTIES BOUND**

2. This Consent Decree is binding upon the United States, and upon Settling Defendant and his heirs, successors, and assigns.

## **IV. DEFINITIONS**

#### **V. STATEMENT OF PURPOSE**

4. By entering into this Consent Decree, the mutual objective of the Parties is for Settling Defendant to make a cash payment, which includes a premium, to address his liability for the Site as provided in the Covenant Not to Sue by Plaintiff in Section VIII and subject to the Reservations of Rights by United States in Section IX.

#### **VI. PAYMENT OF RESPONSE COSTS**

5. Within 30 days of entry of this Consent Decree, Settling Defendant shall pay to the United States the sum of \$175,000. It is the agreement of the Parties that \$100,000 of this amount shall be applied to reduce the claims the United States has as to response costs incurred prior to lodging of this Consent Decree and that \$75,000 of this amount shall be used to pay for response costs incurred by the United States after lodging of this Consent Decree and in connection with the investigation of or implementation of action directed to groundwater conditions at the Site, including potential cost overruns or unknown conditions at the Site.

6. Payment shall be made by FedWire Electronic Funds Transfer ("EFT") to the U.S. Department of Justice account in accordance with current EFT procedures, referencing USAO File Number 2005v0042, the EPA Region and Site Spill ID Number 07WS, and DOJ Case Number 90-11-3-08035/1. Payment shall be made in accordance with instructions provided

to Settling Defendant by the Financial Litigation Unit of the U.S. Attorney's Office in the District of Missouri, Western Division following lodging of the Consent Decree. Any payments received by the Department of Justice after 4:00 p.m. Eastern Time shall be credited on the next business day.

7. At the time of payment, Settling Defendant shall send notice that payment has been made to the United States in accordance with Section XIII (Notices and Submissions).

8. The total amount to be paid pursuant to Paragraph 5 shall be deposited in the Armour Road Superfund Site Special Account within the EPA Hazardous Substance Superfund to be retained and used to conduct or finance response actions at or in connection with the Site, or to be transferred by EPA to the EPA Hazardous Substance Superfund.

#### **VII. FAILURE TO COMPLY WITH CONSENT DECREE**

9. Interest on Late Payments. If Settling Defendant fails to make any payment under Paragraph 5 by the required due date, Interest shall continue to accrue on the unpaid balance through the date of payment.

10. Stipulated Penalty.

a. If any amounts due under Paragraph 5 are not paid by the required due date, Settling Defendant shall be in violation of this Consent Decree and shall pay, as a stipulated penalty, in addition to the interest required by Paragraph 9, \$3,000 per violation per day that such payment is late.

b. Stipulated penalties are due and payable within 30 days of the date of the demand for payment of the penalties by EPA. All payments to EPA under this Paragraph shall be identified as "stipulated penalties" and shall be transmitted by wire transfer directed to SWIFT address MELNUS3P, Mellon Bank, ABA 043000261, Account 9109125, 22 Morrow Drive,

Pittsburgh, Pennsylvania 15235. Each such transmittal shall reference the name and address of the party making payment, the Site name, the EPA Region and Site Spill ID Number 07WS, and DOJ Case Number 90-11-3-08035/1.

c. At the time of each payment, Settling Defendant shall send notice that payment has been made to the United States in accordance with Section XIII (Notices and Submissions).

d. Penalties shall accrue as provided in this Paragraph regardless of whether EPA has notified Settling Defendant of the violation or made a demand for payment, but need only be paid upon demand. All penalties shall begin to accrue on the day after payment is due and shall continue to accrue through the date of payment. Nothing herein shall prevent the simultaneous accrual of separate penalties for separate violations of this Consent Decree.

11. If the United States brings an action to enforce this Consent Decree, Settling Defendant shall reimburse the United States for all costs of such action, including but not limited to costs of attorney time.

12. Payments made under this Section shall be in addition to any other remedies or sanctions available to Plaintiff by virtue of Settling Defendant's failure to comply with the requirements of this Consent Decree.

13. Notwithstanding any other provision of this Section, the United States may, in its unreviewable discretion, waive payment of any portion of the stipulated penalties that have accrued pursuant to this Consent Decree. Payment of stipulated penalties shall not excuse Settling Defendant from payment as required by Section VI or from performance of any other requirements of this Consent Decree.

### **VIII. COVENANT NOT TO SUE BY PLAINTIFF**

14. Except as specifically provided in Section IX (Reservation of Rights by United States), the United States covenants not to sue or to take administrative action against Settling Defendant pursuant to Sections 106 and 107(a) of CERCLA, 42 U.S.C. §§ 9606 and 9607(a), with regard to the Site. With respect to present and future liability, this covenant not to sue shall take effect upon receipt by EPA of all payments required by Section VI (Payment of Response Costs) and any amount due under Section VII (Failure to Comply with Consent Decree). This covenant not to sue is conditioned upon the satisfactory performance by Settling Defendant of his obligations under this Consent Decree. This covenant not to sue extends only to Settling Defendant and does not extend to any other person.

### **IX. RESERVATION OF RIGHTS BY UNITED STATES**

15. The United States reserves, and this Consent Decree is without prejudice to, all rights against Settling Defendant with respect to all matters not expressly included within the Covenant Not to Sue by Plaintiff in Paragraph 14. Notwithstanding any other provision of this Consent Decree, the United States reserves all rights against Settling Defendant with respect to:

- a. liability for failure of Settling Defendant to meet a requirement of this Consent Decree;
- b. criminal liability;
- c. liability for damages for injury to, destruction of, or loss of natural resources, and for the costs of any natural resource damage assessments;
- d. liability, based upon Settling Defendant's ownership or operation of the Site, or upon Settling Defendant's transportation, treatment,

storage, or disposal or the arrangement for the transportation, treatment, storage, or disposal, of a hazardous substance or a solid waste at or in connection with the Site, after signature of this consent Decree by Settling Defendant; and

- e. liability arising from the past, present, or future disposal, release or threat of release of a hazardous substance, pollutant or contaminant outside of the Site.

**X. COVENANT NOT TO SUE BY SETTLING DEFENDANT**

16. Settling Defendant covenants not to sue and agrees not to assert any claims or causes of action against the United States or its contractors or employees, with respect to the Site or this Consent Decree, including but not limited to:

- a. any direct or indirect claim for reimbursement from the Hazardous Substance Superfund based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or 9613, or any other provision of law;
- b. any claim arising out of response actions at or in connection with the Site, including any claim under the United States Constitution, the Tucker Act, 28 U.S.C. § 1491, the Equal Access to Justice Act, 28 U.S.C. § 2412, as amended, or at common law; or
- c. any claim against the United States pursuant to Sections 107 and 113 of CERCLA, 42 U.S.C. §§ 9607 and 9613, relating to the Site.

Except as provided in Paragraph 18 and Paragraph 22, these covenants not to sue shall not apply in the event the United States brings a cause of action or issues an order pursuant to the

reservations set forth in Paragraph 16 (c) - (e), but only to the extent that Settling Defendant's claims arise from the same response action or response costs that the United States is seeking pursuant to the applicable reservation.

17. Nothing in this Consent Decree shall be deemed to constitute approval or preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. 300.700(d).

18. Settling Defendant agrees not to assert any CERCLA claims or causes of action, including but not limited to contribution or indemnification claims against other potentially responsible parties, that he may have for all matters relating to the Site, against any other person.

#### **XI. EFFECT OF SETTLEMENT/CONTRIBUTION PROTECTION**

19. Nothing in this Consent Decree shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Consent Decree. The preceding sentence shall not be construed to waive or nullify any rights that any person not a signatory to this Consent Decree may have under applicable law. The Parties expressly reserve any and all rights (including, but not limited to, any right to contribution), defenses, claims, demands, and causes of action which they may have with respect to any matter, transaction, or occurrence relating in any way to the Site against any person not a Party hereto.

20. The Parties agree, and by entering this Consent Decree this Court finds, that Settling Defendant is entitled, as of the date of entry of this Consent Decree, to protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), for "matters addressed" in this Consent Decree. The "matters addressed" in this Consent Decree are all response actions taken or to be taken and all response costs incurred or to

be incurred, at or in connection with the Site, by the United States or any other person. The “matters addressed” in this Consent Decree do not include those response costs or response actions as to which the United States has reserved its rights under this Consent Decree (except for claims for failure to comply with this Decree), in the event that the United States asserts rights against Settling Defendant coming within the scope of such reservations.

21. Settling Defendant agrees that, with respect to any suit or claim for contribution brought against him for matters related to this Consent Decree, he will notify the United States in writing within 10 days of service of the complaint or claim upon him. In addition, Settling Defendant shall notify the United States within 10 days of service or receipt of any Motion for Summary Judgment, and within 10 days of receipt of any order from a court setting a case for trial, for matters related to this Consent Decree.

22. In any subsequent administrative or judicial proceeding initiated by the United States for injunctive relief, recovery of response costs, or other relief relating to the Site, Settling Defendant shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, *res judicata*, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by the United States in the subsequent proceeding were or should have been brought in the instant case; provided, however, that nothing in this Paragraph affects the enforceability of the Covenant Not to Sue by Plaintiff set forth in Section VIII.

## **XII. CERTIFICATION**

23. Settling Defendant hereby certifies individually that, to the best of his knowledge and belief, after thorough inquiry, that he has not altered, mutilated, discarded, destroyed or otherwise disposed of any records, reports, or information relating to his potential liability

regarding the Site since notification of potential liability by the United States or the filing of suit against him regarding the Site and that he has fully complied with any and all EPA requests for information pursuant to Sections 104(e) and 122(e) of CERCLA, 42 U.S.C. §§ 9604(e) and 9622(e), and Section 3007 of RCRA, 42 U.S.C. § 6927.

### **XIII. NOTICES AND SUBMISSIONS**

24. Whenever, under the terms of this Consent Decree, notice is required to be given or a document is required to be sent by one party to another, it shall be directed to the individuals at the addresses specified below, unless those individuals or their successors give notice of a change to the other Parties in writing. Written notice as specified herein shall constitute complete satisfaction of any written notice requirement of the Consent Decree with respect to the United States and Settling Defendant.

#### **XVIII. FINAL JUDGMENT**
